

The Coconino Sun.

VOL. XXIII.

FLAGSTAFF, ARIZONA, DECEMBER 1, 1906.

No. 48

RESULT OF ELECTION

Held in Arizona Nov. 6th, for Delegate to Congress and Upon Joining Arizona and New Mexico.

The last of the official returns from the back counties have been received yesterday at the office of Territorial Secretary Nichols and the totals in each county are herewith presented in tabulated form, convenient for ready reference. It will be later convenience for those interested in politics, to cut out this tablet and keep it for reference.

The tablet shows that the plurality of Marcus A. Smith, democratic candidate for delegate to congress, was 2192, and that he failed by 349 votes of receiving a majority of all votes.

The affirmative vote on the statehood question was 16.18 per cent of the vote cast on that question; 13.33 per cent of the total vote cast at the election, and 9.58

per cent of the registered vote of the territory.

It is interesting to note at this time that the vote in New Mexico, while in favor of joint statehood, was by a smaller majority than the Arizona vote against it, so that had the territories voted jointly and voted anywhere near the same as they did in the separate ballot, the result would still have been a rejection of the issue.

Following is a list of the members of the next legislature.

The democrats who were elected to the council are as follows:

Maricopa—E. B. O'Neill.
Pinal—Thomas Weedon.
Gila—G. W. P. Hunt.
Cochise—Steve Roemer.
Mohave—Patsy Collins.

The republicans elected to the council are as follows:

Coconino—H. C. Lockett.
Yavapai—A. J. Doran.
Apache—John T. Hogue.
Navajo—Robert Scott.

Graham—J. W. Cleveland.
Pima—E. M. Dickerman.
Yuma—Robert McIntire.

The democrats elected to the assembly are:

Maricopa—W. D. Bell, E. C. Bunch, J. W. Crenshaw, William Wallace.

Graham—W. W. Pace.
Pinal—J. I. Coleman.

Yavapai—George W. Hull and D. A. Burke.

Mohave—C. G. Krook.
Navajo—Wm. Morgan.

Gila—John McCormick.
Santa Cruz—Bo. Whiteside.

Cochise—N. E. Bailey, John Slaughter, Owen Murphy.
Coconino—L. S. Williams.

The republicans elected to the assembly are:

Yuma—Messrs. Adolph Bail, David Morgan, A. V. Grosetta.

Yavapai—R. N. Davidson.
Apache—S. E. Day.

Pinal—Lott Gills.
Graham—D. W. Wickersham.

TOWN COUNCIL

Holds Regular Meeting—Passes More Ordinances—Sidewalks Ordered—Bills Allowed

Pursuant to the call of the Mayor, the Common Council of the Town of Flagstaff met in the town hall on Monday, Nov. 26th, 1906, at 2 o'clock p. m.

Present: Mayor Verkamp; Councilmen Black, Fisher, Doney and Harrington; Clerk Black.

The meeting was called to attend to the regular business of the month, as a number of the Council are pioneers, and a meeting of that body is to be held on Monday night, the timeset for the regular meeting.

A letter from S. T. Linn was read by the Clerk, asking that the Council allow him something for digging the ditch from the main line to the center of the street opposite his property on Leroux street, in view of the fact that the main line leaves the street before it gets to his lot. It was moved by Harrington, seconded by Doney and carried that he be allowed seven months water rent at the rate of \$1.90 per month.

An ordinance for the removal and suppression of nuisances presented by the attorney and read by the clerk. It was moved by Harrington, seconded by Doney and carried that said ordinance be accepted and presented to the Mayor for his signature and approval, signed and approved by him this 26th day of November, 1906. This ordinance will be found on page 59 Book of Ordinances as ordinance No. 103.

An ordinance providing for the collection of delinquent licenses by civil action was presented by the attorney and read by the clerk. On motion by Doney which was seconded by Black and carried that said ordinance be accepted and presented to the Mayor for his signature and approval, signed and approved by him this 26th day of Nov. 1906.

This ordinance will be found on page 61 Book of ordinances as ordinance No. 104.

An ordinance amending section one of ordinance No. 101 was presented by the attorney and read by the clerk, it was moved by Doney seconded by Black and carried that said ordinance be accepted and presented to the Mayor for his signature and approval, signed and approved by him this 26th day of Nov. 1906.

This ordinance will be found on page 62 Book of ordinances as ordinance No. 105.

An ordinance providing for the laying of new sidewalks on Leroux and Beaver Street on the west side of the property owned by Mrs. Hensing was presented by the Attorney and read by the Clerk, on motion by Doney seconded by Black and carried that this ordinance be accepted and presented to the Mayor for his signature and approval, signed and approved by him this 26th day of Nov. 1906. This ordinance will be found on page 63 Book of ordinances as ordinance No. 106.

It was moved by Doney seconded by Fisher and carried that the Attorney be instructed to draw an ordinance condemning the platform and little building on the south side, also the addition recently added on the West side, also the post and plank recently put in on the West side, of W. M. Wilson's Blacksmith Shop in Block 4W, and to request him to remove them at once.

Motion by Doney seconded by

Fisher and carried that the Attorney be instructed to look into the business relative to the Branch Railway in the Town.

The following claims were read and allowed by a full vote of the council.

C. A. Black, Nov. Salary \$ 90.00

MILLION DOLLAR TUNNEL

A Seven Thousand-Foot Tunnel for United Verde Mine—New Machinery.

As a result of the recent visit of Senator W. A. Clark to the United Verde mines in Jerome, in which he is the principal stockholder, almost \$1,000,000 to be expended in the improvement of the mine, the addition of new machinery to the smelter and the improvement of the terminal facilities of the United Verde & Pacific railroad the narrow gauge line, which connects the great copper camp with the S. F. P. & P. at Jerome Junction.

The heaviest undertaking upon which work is to be inaugurated as soon as men can be secured, however, is the running of the a tunnel 7000 feet in length to tap the 1000 foot depth, or about 1000 feet below the bottom of the deepest workings in the property at present. Another important change contemplated will be the moving of the mine saw mill to Jerome Junction, which will give more room for terminal facilities, as well as reducing the cost of handling the timbers for the mine, which can be shipped from Jerome Junction already framed as soon as the change is made.

The new tunnel, which will be seven by seven feet in dimension, will be started from a point near the south line of the properties, of

the North Verde Copper company, where the same adjoins the mine of the Verde Queen Copper company, in the first years, and it is within the range of possibility that the tunnel may be later enlarged into a working tunnel, provided that a railroad is built from Flagstaff into the Verde Valley, and the smelters moved from the present site on the mine to a point below the mouth of the new opening.

The ore deposit of the United Verde mine is generally considered by mining men to be among the largest and richest in the world. Besides the copper values in the ores it is also rich in gold and silver, much of the ore mined in the Eureka mine south of the smelting plant carrying high grade silver values.

The water in the mine is so highly impregnated with copper that the most costly pumps will only last a short time while it is also very injurious to other machinery and tools made of iron and steel, the average life of a shovel used in the mine or smelter, it is said, being only about two weeks. The primary object in running the tunnel is for the purpose of draining the great ore deposit, thus eliminating the use of pumps in the mine, which is in itself a very expensive item.

Notice—Tuesday Dec. 4 will be our last day for sittings. All pictures finished before we leave. Mishler & Walker, Artists.

Vote of New Mexico

The Albuquerque Citizen of the 27th says Governor Hagerman and Secretary Reynolds, at 9:30 last night, signed the certificate of election as delegate to congress, for W. H. Andrews. The certificate was based on the official returns from all the counties.

These returns showed: Andrews, 22,915; Larrazolo, 22,649; Metcalf, socialist, 211. Thus Andrews has 266 more than Larrazolo and 55 more than Larrazolo and Metcalf combined.

Joint statehood received 26,195 votes, while the antis polled 14,735, giving statehood a majority of 11,460. The vote for delegates was 45,775; on statehood, 40,930. A. A. Jones was present, representing the democrats, and E. W. Dobson representing the republicans. The pen with which the certificate was signed was given to Col. Dobson to be presented to Delegate Andrews.

Lost—Ladies hunting case gold watch. Initial R. on outside case. Sept. 17—06, on inside case. Finder will be rewarded on returning watch to Miss Roche, at Babbitt Bros. 48t2

The new Harvey House at Ash Fork, Arizona, is to be named Escalantes, in memory of a Spanish priest who explored that part of Arizona in 1776.
